SUBJECT: BLUE LANTERN LEVEL 3: PRE-LICENSE END-USE CHECK  
ON APPLICATION 050151602

REF: 2006 BLUE LANTERN GUIDEBOOK

1. This is an Action Request. See paragraphs 2-4.

2. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Post's assistance in conducting a pre-license check on application 050151602 for the export of defense hardware to Malaysia. Post is requested to complete this Blue Lantern inquiry within 30 days. Lack of response to a Blue Lantern inquiry will affect pending and future licenses involving parties to this license.

3. Reason for request: Foreign Consignee Delta Masis Sdn Bhd is an unfamiliar foreign party.

4. Action: Department requests that Post make inquiries to establish the bona fides of Delta Masis in the proposed transaction. Conduct a site visit to assess the company's reliability as a recipient of United States Munitions List (USML) items as well as its operations and on-site security. Emphasize that the unauthorized re-export or retransfer of USML items is strictly prohibited. Confirm with the end-user that it placed an order for the items listed below for the purpose stated on the application.

The following questions provide suggested guidance:

(To Delta Masis)

Please confirm an order to be shipped under license 050151602.

- How long has your company been in the business of importing and selling defense articles? What other products are sold by your company?

- Are you familiar with the restrictions against the unauthorized re-export or retransfer of U.S.-origin defense articles?

- Who are your regular customers and where are they located?

End Action Request.
